ARTISANAL ICE CREAM SANDWICHES FOR EXTRAORDINARY EVENTS

"Genuinely one of the greatest composed desserts I've ever consumed. You'd think an ice cream sandwich can only be so good until you've had one of these bad boys. The deliciously unique flavors of the soft, heaven like cookies that perfectly encompass pure and whole ice cream showcase an entirely different level of ice cream sandwiches."

THE HEART BEHIND MADDY'S

We're Maddy's Cream Bike, a Portland-based handcrafted ice cream sandwich venture born from a love of slowing down, connecting, and sharing joy through simple, nostalgic desserts. We set out to reimagine the classic ice cream sandwich — small-batch cookies baked from scratch, paired with premium ice cream, served from a beautifully vintage-style freezer bike.

Our setup is as unique as our story — fully self-contained, no power or prep required, and designed to bring a smile anywhere we roll in. From corporate events, brand activations, sporting events and weddings to neighborhood block parties, guests love the charm, the look, and of course, the taste of our deliciously handcrafted ice cream sammies.

Since launching in early 2025, we've quickly built a loyal following and have been invited to cater community festivals, company events, and local celebrations. The response has been incredible — people call it “the perfect Portland treat” and “the dessert everyone talks about.”
